                                   Sort by relevance | Sort by date (new first) | Sort by date (old first)

Dynamic configuration of a secure processing unit for operations in various ...
US Pat. 5883956 - Filed Mar 28, 1996 - National Semiconductor Corporation
This device authentication key is registered with the CA when the device is ...
the configuration vector before the it is transmitted to the certification ...

[APPLICATION] System and method for gaming-content configuration and management system
US Pat. App 11/225,770 - Filed Sep 12, 2005
Specifically, in one preferred embodiment, the certification process offered
ensures authentication and non- repudiation of the casino operator designed web ...

[APPLICATION] System and method for testing and certifying products
US Pat. App 10/814,599 - Filed Mar 31, 2004
lx Dual firmware images Dual configuration images Wake on LAN (WoL) Wake on ...
lx authentication protocol. NOTE: This certification has been superceded by ...

[APPLICATION] Controlled access layer system and method
US Pat. App 11/329,715 - Filed Jan 10, 2006
Specifically, in one preferred embodiment, the certification process offered
ensures authentication and non- repudiation of the casino operator designed web ...

Method and system for component authentication of a vehicle
US Pat. 7131005 - Filed Jun 28, 2002 - Motorola, Inc.
Only some uses of a component in a other configuration elements in the vehicle
... The of computing functions and may include a number of certification ...

Anonymity server
US Pat. 6389533 - Filed Feb 5, 1999 - Intel Corporation
If the cryptographic device is configured to maintain counter traffic analysis
software and/or firmware, an additional authentication operation may be ...

Method and system for vehicle authentication of a remote access device
US Pat. 7181615 - Filed Jun 28, 2002 - Motorola, Inc
A vehicle obtains from a certification authority a certification that an ...
number of hardware, firmware or software elements within the vehicle including, ...

[APPLICATION] CONTROLLED ACCESS SWITCH
US Pat. App 11/550,781 - Filed Oct 18, 2006
Specifically, in one preferred embodiment, the certification process offered
ensures authentication and non- repudiation of the casino operator designed web ...

[APPLICATION] CONTROLLED ACCESS SWITCH
US Pat. App 11/550,782 - Filed Oct 18, 2006
Specifically, in one preferred embodiment, the certification process offered

ensures authentication and non- repudiation of the casino operator designed web ...

Authentication of vehicle components
US Pat. 7137001 - Filed Jun 28, 2002 - Motorola, Inc.
The internal live component by obtaining from a certification authority a 55 ...
certification that an authentic component is associated with firmware or ...

Method and system for vehicle subassembly authentication of a component
US Pat. 7076665 - Filed Jun 28, 2002 - Motorola, Inc.
The vehicle subassembly also obtains from a certification authority a ... a number
of hardware, firmware or software elements within the vehicle including, ...

Updating electronic files using byte-level file differencing and updating ...
US Pat. 7096311 - Filed Sep 30, 2002 - InnoPath Software, Inc.
This support is provided for all device software ranging from firmware to ...
billing server 214, logging server 216, and authentication server 218. ...

[APPLICATION] SECURITY GATEWAY UTILIZING SSL PROTOCOL PROTECTION AND RELATED METHOD
US Pat. App 10/904,470 - Filed Nov 11, 2004
The certification data can be detected by the computer system 102, 142 or uploaded
by the user. On the contrary, if the ID authentication data is not ...

[APPLICATION] Method and system for vehicle authentication of a component using key separation
US Pat. App 10/184,570 - Filed Jun 28, 2002
And by providing a component separately from the certification that allows for
authentication of the component, the component is rendered inoperable if ...

[APPLICATION] Trusted remote firmware interface
US Pat. App 10/646,806 - Filed Aug 21, 2003
This comprises an authentication challenge. In response to the challenge, caller
computer 102 ... Verisign) that hosts a certification revocation list 410. ...

[APPLICATION] Storage area network (san) security
US Pat. App 10/469,727 - Filed Aug 28, 2003 - StoreAge Networking Technologies
[0091] Step 602 responds to the detection of the announcement of a new host 1 by
calling for an authentication certification test in step 608. ...

Method and system for technician authentication of a vehicle
US Pat. 7228420 - Filed Jun 28, 2002 - Temic Automotive of North America, Inc.
The configuration elements embodiment of the present invention; ... The present
invention provides an effective means of firmware or software elements ...

[APPLICATION] Remote management and provisioning of a system across a network based connection
US Pat. App 10/812,019 - Filed Mar 30, 2004 - Intel Corporation
The firmware may be, for example, an Extensible Firmware Interface ... be used
for platform authentication, platform attestation and certification of keys. ...

Automatic broker tools and techniques
US Pat. 6343738 - Filed Apr 18, 2000

The physical configuration represents data and instructions which cause the ...
SDKs, assembly, firmware, microcode, 55 and/or other languages and tools. ...

[APPLICATION] Dynamic certification of components
US Pat. App 11/148,254 - Filed Jun 9, 2005
The certification service may also analyze the configuration information and testing
... software, firmware, or the like. The installed program code may ...

[APPLICATION] Dynamic addressing (DA) using a centralized DA Manager
US Pat. App 10/971,179 - Filed Oct 22, 2004
Following authentication the upgrade server 204, as the manager of client device
configuration data, identifies the current versions of embedded software ...

[APPLICATION] Wireless communication device and setup method
US Pat. App 11/274,507 - Filed Nov 16, 2005 - Brother Kogyo Kabushiki Kaisha
Then, the main control unit 10 judges whether the firmware of the wireless ...
the encryption key, and the authentication and encryption schemes are ...

Control channel security for realm specific internet protocol
US Pat. 6353891 - Filed Aug 9, 2000 - 3Com Corporation
If the RSIP which is preferably signed by one of the certification gateway receives a
... Integrity is also provided by the software, hardware or firmware ...

Host certification method and system
US Pat. 7310821 - Filed Aug 27, 2001 - DPHI Acquisitions, Inc.
Another configuration performed by an ... According to a host authentication
procedure 810, block 804 provides for a host to deliver a certificate ...

[APPLICATION] Methods and apparatuses for configuring products
US Pat. App 11/316,849 - Filed Dec 22, 2005
13 illustrates the messages transmitted between a configuration server and a device
... The server sends a POD authentication request (601) to the device; ...

Total object processing system and method with assembly line features and ...
US Pat. 5742822 - Filed Jan 17, 1996 - Nathen P. Edwards
Certification coder 64 of facility 50 ,n "4 mentioned above, ... tolled by firmware
or hardware so as to prevent alteration an applicaton under development. ...

[APPLICATION] Device memory management during electronic file updating
US Pat. App 10/298,458 - Filed Nov 18, 2002
This support is provided for all device software ranging from firmware to ...
billing server 214, logging server 216, and authentication server 218. ...

[APPLICATION] Device memory management during electronic file updating
US Pat. App 11/187,363 - Filed Jul 22, 2005
This support is provided for all device software ranging from firmware to ...
billing server 214, logging server 216, and authentication server 218. ...

[APPLICATION] Generating difference files using module information of embedded software ...
US Pat. App 11/183,663 - Filed Jul 17, 2005
This support is provided for all device software ranging from firmware to ...
billing server 214, logging server 216, and authentication server 218. ...

[APPLICATION] Generating difference files using module information of embedded software ...
US Pat. App 10/298,393 - Filed Nov 18, 2002
This support is provided for all device software ranging from firmware to ...
billing server 214, logging server 216, and authentication server 218. ...

Personal computer ROM scan startup protection
US Pat. 6098171 - Filed Mar 31, 1998 - International Business Machines Corporation
This firmware provided an operational interface between a user's application ...
that the adapter ROM is valid by running various authentication mechanisms. ...

[APPLICATION] Host certification method and system
US Pat. App 9/940,026 - Filed Aug 27, 2001 - DataPlay, Inc.
Another configuration performed by an ... According to a host authentication
procedure 810, block 804 provides for a host to deliver a certificate ...

Automatic broker tools and techniques
US Pat. 6547134 - Filed Dec 5, 2001
The physical configuration represents data and 45 instructions which cause ...
APIs, SDKs, assembly, firmware, microcode, and/or other languages and tools. ...

[APPLICATION] Dynamic addressing (DA) using a centralized DA manager
US Pat. App 11/048,511 - Filed Feb 1, 2005
Following authentication the upgrade server 204, as the manager of client device
configuration data, identifies the current ...

[APPLICATION] CRYPTOGRAPHIC KEY SHARING METHOD
US Pat. App 11/279,235 - Filed Apr 10, 2006 - HONEYWELL INTERNATIONAL INC.
Ideally, for security reasons, an optical channel or connection may be used for
ease of certification. Authentication device 120 may use this same non-RF ...

Secure access method and system
US Pat. 7110982 - Filed Aug 27, 2001 - DPHI Acquisitions, Inc.
Another configuration performed by an ... According to a host authentication
procedure 810, block 804 provides for a host to deliver a certificate ...

[APPLICATION] Communication apparatus, communication system, communication apparatus ...
US Pat. App 10/938,563 - Filed Sep 13, 2004
Based on configuration of the lower-level apparatus 20, relationship between the
... In this operation, one-directional authentication is adopted, that is, ...

[APPLICATION] Integrating telephonic service providers
US Pat. App 11/157,643 - Filed Jun 21, 2005
Authentication module 240 further authorizes access to other provider ...
firmware) may be employed depending on the particular configuration of the data ...

[APPLICATION] Method and architecture for security key generation and distribution within ...
US Pat. App 10/804,487 - Filed Mar 18, 2004
The CA does not generate public keys, but rather provides authentication ...
trusted platform configuration (ie, selected trusted platform firmware and/or ...

[APPLICATION] System and method for detecting unauthorized copying of encrypted data
US Pat. App 9/940,174 - Filed Aug 27, 2001 - DataPlay, Inc.

Another configuration performed by an ... According to a host authentication procedure 810, block 804 provides for a host to deliver a certificate ...

[APPLICATION] Methods and apparatuses for configuring products
US Pat. App 10/913,671 - Filed Aug 5, 2004
After the probe is connected to the host (321), the firmware of the host (321) ... (303) from an online certification store, or a database on an intranet, ...

Platform and method for securely transmitting an authorization secret
US Pat. 6948065 - Filed Dec 27, 2000 - Intel Corporation
... the processor 220. and controls the authentication process of the platform 100. ... a Universal Serial Bus (USB), a Firmware Hub bus, or employ multiple ...

[APPLICATION] Reconfigurable key search engine
US Pat. App 11/081,000 - Filed Mar 16, 2005
... network standards through an interoperability testing and certification program. ... devices but it requires a firmware or driver upgrade to do so. ...

[APPLICATION] Secure single sign-on to operating system via power-on password
US Pat. App 10/994,620 - Filed Nov 22, 2004 - International Business Machines Corporation
[0026] The TPM offers protected storage, platform authentication, ... certification by a recognized authority that the platform can be trusted for an ...

[APPLICATION] Secure access method and system
US Pat. App 9/940,083 - Filed Aug 27, 2001
Certificate 318 provides an authentication portion of the protocols, and establishes ... in hardware and firmware, but also by embodying cryptographic keys. ...

[APPLICATION] Revocation method and apparatus for secure content
US Pat. App 9/939,896 - Filed Aug 27, 2001
Certificate 318 provides an authentication portion of the protocols, and establishes ... in hardware and firmware, but also by embodying cryptographic keys. ...

[APPLICATION] Key transformation unit for a tamper resistant module
US Pat. App 11/729,509 - Filed Mar 29, 2007
The authentication process as described herein is performed by CPU 1101. [0082] FIG. 11 also shows a possible configuration for the integrated circuit chip ...

[APPLICATION] System and method for identifying vendors of hidden content
US Pat. App 9/940,025 - Filed Aug 27, 2001
Certificate 318 provides an authentication portion of the protocols, and establishes ... in hardware and firmware, but also by embodying cryptographic keys. ...

[APPLICATION] Unlocking method and system for data on media
US Pat. App 9/940,035 - Filed Aug 27, 2001
In one embodiment, engine 308 supports security through the methods implemented in hardware and firmware, but also by embodying cryptographic keys. ...

[APPLICATION] Mastering process and system for secure content
US Pat. App 9/939,960 - Filed Aug 27, 2001
Certificate 318 provides an authentication portion of the protocols, and establishes ... in hardware and firmware, but also by embodying cryptographic keys. ...
